

CLACKAMAS WORKFORCE PARTNERSHIP & CLACKAMAS COMMUNITY COLLEGE

Local Rapid Response teams are here to help!

Local Rapid Response teams can help you navigate through this challenging process and assist with the development and implementation of a transition strategy.

Frequently Asked Questions

Did you know that opportunities may exist to save jobs & avoid the resulting hardships imposed on individuals & communities when a business closes?

Oregon Work Share Program

Do you know about the opportunities that exist if you are considering closing or reducing your workforce temporarily?

COVID-19 Related Business Layoffs, Closures & Employment Insurance Benefits

Do you have questions about the Worker Adjustment & Training Notification (WARN) Act?

WARN Act Information

Funded through the Workforce Innovation & Opportunity Act (WIOA)

Many services are funded through WIOA and are offered at no cost to you or your workers.

Early involvement is essential to helping workers prepare to re-enter the workforce as quick and seamless as possible.

Providing Rapid Response services to your workers during layoffs or business closures will result in multiple benefits to you as an employer.
