Clackamas Workforce Partnership Recruiting Board Members

The Clackamas Workforce Partnership is seeking board members to help set funding strategies in an effort to develop a highly skilled workforce that creates sustained economic growth and prosperity for Clackamas County by helping to meet the global demands of our local businesses. Currently, there are openings for representatives from business as well as labor and apprenticeship.

The Clackamas Workforce Partnership is a non-profit 501 (c) 3 organization governed by a board of directors responsible for developing policy and overseeing local workforce development initiatives in partnership with the local elected officials. This workforce board provides oversight for local workforce funding and attracts and leverages new funding sources to assist businesses, job seekers and youth with employment and training services.

Interested individuals need to complete a County application form. In addition to the County application, interested parties must submit a Clackamas Workforce Partnership application as well as a resume and a letter of nomination by local business organization or local business trade association. Application materials can be found on the Clackamas Workforce Partnership website at <http://www.clackamasworkforce.org/board/recruitment/>.
